PROBABLE CAUSE STATEMENT	<p>The following incident occurred in the State of Florida, County of Palm Beach, City of Delray Beach.</p> <p>On 09-20-17 at 1801 hours, I met with Nicole Guerriero at the Delray Beach Police Department. The following is a synopsis of the interview, for a verbatim account refer to the recorded interview:</p> <p>Nicole stated that in July 2011 she met and began dating her now estranged wife, Bethany Ann Fedorenchik Guerriero. In January 2012 they moved in together, in February 2014 they got married and in February 2017 they adopted a child. In April 2017 the relationship became unhealthy; a discussion and decision were made that the marriage had dissolved and was over. Nicole and Bethany agreed that Bethany would move out but due to Bethany's financial situation she could not leave immediately. By the second week of April 2017, Bethany was staying in the spare bedroom. In July 2017 Bethany moved out of the house. In August 2017, Nicole retained a lawyer and in September 2017, Nicole filed for divorce.</p> <p>Nicole stated that since then Bethany's behavior has become obsessive. Nicole advised that Bethany began going through her electronic devices (cell phone, email, and text messages) and has also admitted to Nicole that she went through her messages in the past (this information was sent via text message). Nicole advised that during this time Bethany began contacting her (Nicole's) friends; informing them about her (Bethany's) opinions of Nicole. Bethany went as far as to contact two of Nicole's supervisors via text message informing her supervisors that Nicole was not acting herself and that they should be concerned for her mental status. Nicole asked Bethany to stop contacting her friends; as these individuals were friends with Nicole prior to Nicole and Bethany becoming involved. Per Nicole, Bethany continued to reach out to additional individuals to include her old realtor and cosmetologist.</p>

<p>Nicole stated that she began dating a male named Charlie Navarro; Bethany's fixation for Charlie's and Nicole's relationship increased. Bethany began texting Nicole multiple times a day about Charlie and her (Bethany's) opinion of him. Bethany admitted to having Charlie followed and conducting a background investigation on Charlie. Bethany stated that she spoke with Charlie's ex-fiancé and sent her in the direction of Nicole. Bethany provided Nicole with a picture of Charlie's ex-fiancé, Amy Johnson, and her address. It is unknown how Bethany obtained the photograph. On several occasions Nicole requested for Bethany to leave her (Nicole) and Charlie alone. Nicole asked Bethany multiple times not to contact her unless it was regarding their child.</p> <p>Nicole stated that due to Bethany's obsession with her she (Nicole) is in fear of what Bethany may do either to herself or Charlie. Nicole advised that she changed her password on her social media accounts (Facebook and Instagram), she changed her password on her apple I-watch, email, cellular phone, and the code to the alarm on her house. Nicole eventually purchased a new cell phone because she (Nicole) could not figure out how Bethany was tracking her phone calls and location.</p> <p>With the information Nicole provided me, in seven-day time frame, Bethany sent Nicole 349 text messages with multiple request from Nicole asking Bethany to stop.</p> <p>On 01-11-19 at 1646 hours, I met with Nicole again for a second interview at the Delray Beach Police Department in interview room #3. Nicole provided me with the following sworn statement. The following is a synopsis of the interview, for a verbatim account refer to the recorded interview:</p> <p>Nicole stated that since we last met in October 2017, she (Nicole) has attempted to keep the peace between herself and ex-wife Bethany. Nicole advised that throughout the last 12 months, she (Nicole) has avoided certain topics that would trigger Bethany's emotional outburst. Nicole stated that she was attempting to keep their relationship on a friendly level for the sake of her child. Nicole advised that she is still having to change her way of life to adapt to Bethany due to her (Bethany's) behavior and uncontrollable obsession with Nicole's friend Charlie Navarro.</p> <p>Nicole fears that if she does not respond to Bethany's phone calls, text messages, emails, gifts or invitations Bethany will become enraged. Nicole confirmed that Bethany has had emotional tantrums in the past; some of these tantrums are document via text messages and emails. Nicole advised because of this, there have been several occasions, this past year, where she did not pick up the phone to speak with her child because Charlie was in the car and Bethany had their child. Nicole stated that she did not want to trigger an emotional outburst while her child was in the presences of Bethany.</p> <p>During the interview Nicole recalled an incident that occurred with Bethany that she</p>

<p>(Nicole) feels violated her privacy. Nicole stated that when she (Nicole) was dropping off their child and waiting on Bethany to come out of the bathroom, she (Nicole) received a message on a telephone app called What's App. Immediately following the message, Bethany's phone received a notification. Nicole advised she received another message on the app and Bethany's phone rang again. Nicole stated that she went and looked at Bethany's phone and noticed that she (Bethany) had a What's App tracker programed on her (Bethany's) phone. The app was tracking when Nicole was texting on the app and when Charlie was texting. Nicole stated that earlier this year she has received several messages from Bethany questioning Nicole about being on the phone and not paying attention to her (Bethany's) conversation.</p> <p>On a separate occasion, Nicole located a vehicle tracking application on Kennedy's I-pad called, SpyTechGPS. Nicole advised that her child brought back her (Kennedy's) I-pad after visiting Bethany. Bethany had logged into Kennedy's I-pad using her (Bethany's) gmail account. When Bethany logged on to Kennedy's device, her (Bethany's) applications that were attached to her (Bethany's) private account appeared on Kennedy's screen. Kennedy does not have Bethany's password to download applications on her own. Nicole stated when Kennedy brought the I-pad to her (Nicole) and asked her about the new apps she had, she (Nicole) noticed one app was a tracking app. Nicole looked up the app in question and learned that with this app you can purchase a tracker off the website for under \$100.00. Once you have the tracker, you place the tracker on a vehicle and log onto the app. The tracker will then show you where the vehicle is going via gps. Nicole did not find a tracker on her or Charlies vehicle however she did not know about this application until January of 2019. Nicole stated that this is concerning to her and peculiar because Bethany has given Nicole exact locations, time, and dates of Charlies whereabouts in prior text (these texts were located in Nicole's phone). Bethany also knew about a trip that Nicole took that she (Nicole) did not tell anyone about and went on last minute.</p> <p>Nicole advised due to the overwhelming amount of text messages she received from Bethany about Charlie she blocked Bethany's number and gave her a cell phone application she (Bethany) could call on for emergencies only.</p> <p>Nicole concluded the interview by stating that she lives in fear every day wondering what Bethany might due next. Nicole stated that she does not want to live like this anymore. Nicole advised that she was embarrassed because of what she does for living and she did not want to admit she was a victim. Nicole advised that this is why she did not follow through with the stalking injunction the first time. Nicole advised she thought she could handle the situation but has now come to the realization that she (Nicole) needs help in getting it under control and getting her life back.</p> <p>With just the text that were document in the supplemental report written a total of approximately 850 text were sent from Bethany. Nicole sent multiple requests to Bethany</p>

<p>all the way to the last message in December for her to stop texting. This total does not include emails. The texts were degrading, name calling, threatening to Nicole, concerning to Nicole about how Bethany new the location of her (Nicole) and Charlies whereabouts, phone conversations, and per Bethany she even had medical records on Charlie. This harassment is what she (Nicole) is trying to escape from. Nicole advised that it is causing her stress and anxiety and is affecting the way she parents her (Nicole`s) child. Nicole advise that she (Bethany) is using their daughter now to try and get Nicole to communicate with her. This harassment has continued with the last date being March 18, 2019.</p> <p>Bethany even began reaching out to Charlies past relationship, even that female requested that Bethany stop texting her.</p> <p>On 03-19-19, a Temporary Stalking Injunction Order was signed by Judge Burton.</p> <p>Due to the information that was collected during this investigation, the continuous text messages, the admission of following and tracking Nicole and her friend Charlie, I find Bethany Fedorenchik in violation of FSS 784.048 (2) for Stalking, a subject who willfully, maliciously, and repeatedly follows, harasses or cyberstalks another person.</p>
